A list of ships arriving in SA from 1836 to 1910 derived mainly from newspapers, but also other records.

The majority of the records are from "Index to Ships Arriving at South Australian Ports from Overseas 1836-1900" compiled by George H Pitt, with additions and amendments by L John Bills (SAGHS). Ships listed for 1901-1910 are from State Records GRG34/41.

The "EmbarkNos" entry for some ships (in Notes) relates to a range of Embarkation Numbers of passengers in the Arrivals in SA list.

There may be multiple entries for the same ship arrival as each ship is listed separately for each separate source.
