

South Australian Church records - Baptisms

ABOUT THIS DATASET

Each record indicates a parish baptism transcribed from parish records. Note that the birth date may or may not be recorded.

NB – some dates/years are from indexes - therefore there may not be any additional information available

Lookups for Non-Members - before you ask for a lookup please remember that fields displaying the wording "(members only)" **doesn't necessarily mean that it contains information for that field in that database**. You can request one of our researchers to research further for you which may/may not produce further information. For this you will need to ask for a research request - [click here](#)

Lookups for Members - before you ask for a lookup please remember that if a displayed field is **BLANK it means that there is no further information available for that field in that database**.
