Each record indicates a parish death or burial service transcribed from parish records. Note that the actual date of death may or may not be recorded.

NB – some dates/years are from indexes - therefore there may not be any additional information available

The name of the parish or church may not be the same as its name when the burial occurred, due to changes over the years. Similarly the religious denomination of a parish/church may also have changed (from Methodist to Uniting for example).

The following churches/parishes are included:
